Tippecanoe families of children age 6 weeks to 35 months may qualify for either the Home-based program or the full-day Center-based program. In all 4 counties, 3 year olds are placed in our full-day preschool classrooms and 4 year olds heading to Kindergarten in the fall are placed in our full-day pre-kindergarten classroom.

The Pregnant Women's Program provides a foundation for pregnancy care, labor, & parenting. The program serves pregnant women and fathers or support people during the duration of the pregnancy and up to 6 weeks after the birth of the child. In addition, the program offers participants weekly education class and support, a referral program for men to the fatherhood program, monthly home visits to set goals and discuss intimate issues for mom, and priority for the child into child care with Early Head Start.

All of our early education programs engage parents in their child's learning and assist the parents in attaining their educational, literacy and employment goals.
